WHAT OUR CUSTOMERS SAY ABOUT US

'The advert in Your Steypning has paid for itself 10 times over and I'm still getting calls.'

Nigel, Riverside Home and Garden Maintenance.

'I highly recommend advertising in the Steypning Magazine. I have advertised in this excellent local magazine for many years and have enjoyed much exposure and business as a result. The magazine gives just the right mix of advertising, information, and human and local interest. I cannot thank Melanie enough for her support and professionalism over the years.'

Vanessa Roebuck, Lomars

'Many years ago, 2007 to be exact, I was approached by Melanie to advertise in Your Steypning magazine and decided to give it a go, I was not disappointed! Some years on and still advertising, it has been a great success.'

Nigel Bishop, Steypning Double Glazing

'I have been in business for 15 years and lived in Steypning for 12 years and for virtually all that time I have advertised in Your Steypning magazine. Having regularly analysed where my customers come from No. 1 on the list is Your Steypning. I know from conversations with customers that they regularly use the publications to find local suppliers, traders etc. and it is for this reason and the professional nature of the magazine that I advertise with you and shall continue to do so for the foreseeable future.'

Alex Bell, Alex Bell Garden Design

'Mel has created a unique sense of community within the magazine. This shines through every article, listing and advertisement, it is such a popular and useful community magazine, supporting local organisations.'

Sara Bowers, The Steypning Bookshop

'The Steypning Magazine has eclipsed a succession of rival publications, largely due to the extensive coverage of truly local news and events covering Steypning, Bramber and Beeding. It is a magazine that the readers love to read from cover to cover and has become part of the fabric of the community. With that we get an excellent response to our advert and we are delighted that we can support a fellow local business at the same time.'

Jane and Mark Jones, Well Adjusted Health, Chiropractor
